A. In Moscow, summers are warm and partly cloudy while winters are long, freezing, snowy and windy. Over the course of the year, the temperature typically varies from 12°F to 76°F and is rarely below –7°F or above 86°F. The warm season lasts for 3.5 months, from May 18 to September 2, with an average daily high temperature over 65°F.

B. George Gershwin was one of the most significant American composers of the 20th century, known for popular stage and screen numbers as well as classical compositions. Among his best-known works are the orchestral compositions Rhapsody in Blue (1924) and An American in Paris (1928) as well as the opera Porgy and Bess (1935).

C. Pelmeni is one of the most ancient traditional Russian meals and have born many names through the centuries. Most historians agree that they originated in Siberia and were probably named by the Komi, a people indigenous to the Urals. Pelmeni filling consists of ground beef and pork mixed with minced onion and salt, both natural preservatives for meat.

D. On Tuesday, basketball superstar LeBron James helped the Cleveland Cavaliers lead a close victory over the Chicago Bulls by starting on a position he hasn't played in 12 years, according to ESPN. By doing so, James demonstrates just how important it is to be flexible and a team player.

E. The main issue that halts the economy back in growing into its full potential is the economic protectionism designed by the rich elites in the country. It requires that all foreign investments in the country should be owned by 60% of Filipinos and only 40% by foreigners. The supposed purpose of this is to give Filipinos the opportunity to grow along in business.
